Past performance is not a reliable indicator of future performance.

Source for performance: T. Rowe Price. Fund performance is calculated using the official NAV with distributions reinvested, if any. Sales charges, taxes and other locally applied costs have not been deducted and if applicable, they will reduce the performance figures.

Exchange rate movements between the share class currency and the fund base currency may affect returns.

Index returns are shown with net dividends reinvested.

The indicative benchmark of the fund is not a formal benchmark but is shown for comparison purposes.

Risks - The following risks are materially relevant to the fund (refer to prospectus for further details):

Currency risk - changes in currency exchange rates could reduce investment gains or increase investment losses. **Small and mid-cap risk** - stocks of small and mid-size companies can be more volatile than stocks of larger companies. **Style risk** - different investment styles typically go in and out of favour depending on market conditions and investor sentiment. **Volatility risk** - the performance of the fund has a risk of high volatility.

The indicative benchmark data is for the TOPIX Index Net.

IMPORTANT INFORMATION

General fund risks - to be read in conjunction with the fund specific risks above. Capital risk - the value of your investment will vary and is not guaranteed. It will be affected by changes in the exchange rate between the base currency of the fund and the currency in which you subscribed, if different. **Equity risk** - in general, equities involve higher risks than bonds or money market instruments. **Geographic concentration risk** - to the extent that a fund invests a large portion of its assets in a particular geographic area, its performance will be more strongly affected by events within that area. **Hedging risk** - a Fund's attempts to reduce or eliminate certain risks through hedging may not work as intended. **Investment fund risk** - investing in funds involves certain risks an investor would not face if investing in markets directly. **Management risk** - the investment manager or its designees may at times find their obligations to a fund to be in conflict with their obligations to other investment portfolios they manage (although in such cases, all portfolios will be dealt with equitably). **Operational risk** - operational failures could lead to disruptions of fund operations or financial losses.

This factsheet is for marketing purposes only.

The Funds are sub-funds of the T. Rowe Price Funds SICAV, a Luxembourg investment company with variable capital which is registered with Commission de Surveillance du Secteur Financier and which qualifies as an undertaking for collective investment in transferable securities ("UCITS"). Full details of the objectives, investment policies and risks are located in the prospectus which is available with the key investor information documents in English and in an official language of the jurisdictions in which the Funds are registered for public sale, together with the articles of incorporation and annual and semi-annual reports (together "Fund Documents"). Any decision to invest should be made on the basis of the Fund Documents which are available free of charge from the local representative, local information/paying agent or from authorised distributors and via www.troweprice.com. The latest fund prices are available online from Morningstar.

This material, including any statements, information, data and content contained within it and any materials, information, images, links, graphics or recording provided in conjunction with this material are being furnished by T. Rowe Price for general informational and/or marketing purposes only. The material is not intended for use by persons in jurisdictions which prohibit or restrict the distribution of the material and in certain countries the material is provided upon specific request. Under no circumstances should the material, in whole or in part, be copied or redistributed without consent from T. Rowe Price. The material does not constitute a distribution, an offer, an invitation, recommendation or solicitation to sell or buy any securities in any jurisdiction.

Please contact an investment adviser for information and advice on the legal, regulatory and tax consequences of an investment in the Fund. If you invest through a third party provider you should consult them directly, as charges, performance and terms and conditions may differ materially.

Certain numbers in this report may not add due to rounding and/or the exclusion of cash.
